

PROCLAMATION

*Hoover Board of Education
National Principals Month - October*

Whereas, the vision, dedication, and determination of a principal provides the mobilizing force and direction behind any school effort; and

Whereas, principals are expected to be educational visionaries, instructional leaders, assessment experts, disciplinarians, community builders, public relations practitioners, budget analysts, facility managers and more; and

Whereas, principals set the academic tone for their schools and work collaboratively with teachers to develop and maintain high curriculum standards; and

Whereas, principals work tirelessly to establish rapport with students, parents, faculties and staffs, communities and other stakeholder groups; and

Whereas, our district honors and recognizes the contributions of all school principals at all grade levels to the success of students across Hoover City Schools;

Now, therefore, be it proclaimed that the Hoover Board of Education joins the National Association of Elementary School Principals; the American Federation of School Administrators; the National Association of Secondary School Principals and other organizations in proclaiming October as National School Principals Month.
